# AWSC Committee Explanations

## EXPLANATION OF AWSC COMMITTEES

According to AWSC Bylaws Article III Section 7, The President may designate one or more committees of the Board of Directors to assist in the conduct of the affairs of the corporation. Article II Section 8 references Roberts Rules in Plain English.

In accordance with Robert's Rules, Committee assignments are ultimately made by the President of the organization. Operationally, assignments are made by coordinating the desires of the individuals (as stated in their Bio sheets) with the desires of the respective Committee Chairs. We look to the Committees to determine who their Chair will be. In the absence of that direction, the President and the Executive Board can help determine the most suitable candidate to Chair a Committee.

**AUDIT** – The Audit Committee usually meets at the AWSC office prior to each Directors meeting to review AWSC bills and payments. At times they may make an office procedure recommendation regarding bills and payments to the Executive Board.

**ENVIRONMENTAL/BYLAWS & CREDENTIALS** – This Committee is in charge of changes to the AWSC by-laws and conducts the annual election of AWSC officers, as well as a monitoring group who keeps an eye on conditions that affect land use and access not only in Wisconsin but all across the country.

**EXECUTIVE/FINANCE** – The Officers of the AWSC make up the Executive and Finance Committee. This Committee oversees and coordinates the activities of the Association, oversees the budgeting process, and approves Association expenditures.

**FUND RAISING** – This Committee is responsible for seeking out additional funding through organizing events, (raffles, silent auction, etc...).

**INSURANCE** – This Committee reviews various snowmobile insurance opportunities for clubs and reviews Wisconsin Workers Compensation requirements. This Committee also seeks answers concerning liability issues.

**LEGISLATIVE**– The Legislative Committee reviews or recommends legislation and works jointly with other committees and the Governors Snowmobile Recreation Council in reviewing legislative proposals. This committee does meet occasionally in the office of the AWSC Attorney/Lobbyist.

**MAGAZINE**– This Committee reviews and proofs each issue of the Wisconsin Snowmobile News (WSN) and suggests changes and ways to improve the magazine that would make it more appealing and useful to AWSC members.

**MEMBERSHIP**– This Committee promotes membership of the AWSC. This Committee also selects the *AWSC Snowmobiler*, *Snowmobile Family* and *Young Snowmobiler of the Year*.

**MULTI TRAILS/SURFACING** – This Committee is the watchdog for any multi trail purposes.

## AWSC Committee Explanations - cont'd

---

**NOMINATING** – This committee is made up of three Directors/Past Presidents appointed each year to search for eligible members willing to run for AWSC Officer Positions (President, Vice President, Secretary and Treasurer). They will ensure we have capable and qualified candidates to vote for at the Annual Meeting.

**PUBLICITY/PROMOTION**– This Committee promotes snowmobiling related activities and works jointly with other Committees. Examples are: Safe snowmobiling, AWSC 25 year activity, membership. This committee is responsible for the AWSC Trailer and schedule (listed on the AWSC web site). This Committee also selects the AWSC *Dealer of the Year*. (Reference to History removed to be considered as separate Committee)

**SAFETY AND EDUCATION** – This Committee reviews and recommends programs for safety education and reviews law enforcement efforts.

**SCHOLARSHIP**– This Committee is responsible for the selection of scholarship recipients from applications to receive the designated scholarships.

**SNOWFLAKE**- This committee is responsible for the coordination and organization of the Miss Snowflake pageant.

**TRAILS** – This committee reviews legislation pertaining to trail funding, makes recommendations for signing and suggests grooming and manpower rates. This Committee also selects the winner of the AWSC *Groomer of the Year*.

**YOUTH** – This committee is responsible for getting the youth involved in a variety of ways. These young members are the future leaders of the AWSC.

**VINTAGE/HISTORY** – This committee is responsible for snowmobiling history for the AWSC and the vintage snowmobiles. This Committee also selects the winner of the AWSC Club of the Year.

**VIP RIDE** - This committee is responsible for organizing the yearly ride.

## **PRESS RELEASE**

### **HEADER: AWSC Awards Eight as “Snowmobile Friendly Community”**

### **SUB HEADER: SFC Award Celebrates Snowmobile Club and Community Partnership**

The Association of Wisconsin Snowmobile Clubs (AWSC) formally announces eight Wisconsin Communities as a “Snowmobile Friendly Community.” The AWSC normally announces the Snowmobile Friendly Community Awards during their annual spring Convention, but COVID-19 forced a cancellation of this state-wide Convention for over 600 snowmobilers representing all 72 Wisconsin counties.

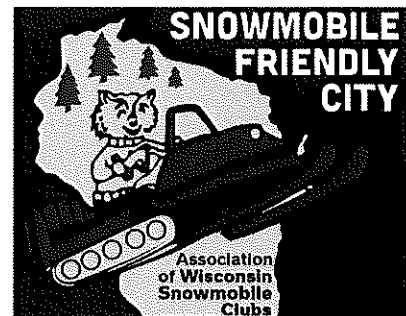

Congratulations are in order for the communities of: Cambria, Marathon City, Osceola, Park Falls, Plum Lake, Rome, Siren, and Webster. These communities achieved their Snowmobile Friendly status by working with their Snowmobile Club to complete a 21-page application describing how they and their Snowmobile Club advocate for safe and responsible snowmobiling in their area. All SFC winners are awarded reflective, high-visibility, 24” x 36” highway signs to let all visitors know they are entering a “Snowmobile Friendly Community.”

Created through a partnership between the AWSC and the Wisconsin Department of Tourism, a statewide Evaluation Panel includes a Tourism professional to ensure the Program accurately identifies which communities and snowmobile clubs are “best” at welcoming, preserving, and providing snowmobile access, support, and services for snowmobilers. The Snowmobile Friendly Community Award/Designation is a four-year term and communities may reapply for subsequent awards.

Although cancelled by the pandemic, the AWSC’s Spring Convention serves as the final major snowmobiling event for the 610+ Wisconsin Snowmobile Clubs who create and maintain over 24,000 miles of public snowmobile trails connecting all 72 Wisconsin counties.

### *Snowmobiler of the Year*

#### **Ron Salter - New Auburn, WI**

For some, snowmobiling is something you do on weekends during the winter to pass the time. For Ron Salter, it is a life-long passion that he wants to share with everyone that crosses his path. For over 54 years Ron has been active in all aspects of snowmobiling and has introduced countless new members to the sport. In 1967, Ron purchased his 1<sup>st</sup> snowmobile dealer franchise, Fox Trac, with his brother. They later added the Rupp and Ski Daddler brands. Their business also sponsored a Rupp racing group called Salter's Pier 66. In the 1990's Ron purchased Fireside Resort in Rusk County where he took pride in helping his guests plan memorable trail rides. Ron has always been an active member in the local club wherever he lived. He has served in many capacities throughout the years – Board of Director, Trail Leader, and Trail Establishment. Ron is an enthusiastic representative of all phases of snowmobiling. He's the first to volunteer to speak with landowners for permission of land use. He is the #1 club cheerleader for promoting club membership, fundraisers, and club rides. He is also passionate about supporting, all year round, the people and establishments that support snowmobiling. His dedication to the sport lead to him being the first Honorary Member of the Back 40 Trail Riders in 2015. Ron has always been a leader in the communities where he lived. In 1977, he became the first Fire Chief for the Chippewa Fire District. In the Town of Big Bend, Rusk County, he was a volunteer for the Local Emergency Planning Committee. When the township added an emergency helicopter landing pad in 2018, Ron attended the dedication on behalf of the Back 40 Trail Riders and volunteers his time to keep the site plowed in the winter. Family is important to Ron. He has indicated many times that the best part of snowmobiling is spending time with his family and friends. At an age where others have slowed down, Ron still clocks over 1000 miles in an average winter, often with his girlfriend, Esther, on the 2-up. Ron's motto: "You don't quit riding when you get old.....you get old when you quit riding." Happy Trails.
