United We Trail...Divided We Fail

Association of Wisconsin Snowmobile Clubs

AWSC

Wisconsin's AWSC is among the top three snowmobiling associations in the nation and is considered the legislative voice for Wisconsin's snowmobilers and snowmobile clubs. Organized in 1969, the AWSC is dedicated to the sport and prides itself on being a watchdog for snowmobiling in Wisconsin. We are comprised of over **600 snowmobile clubs**, representing more than **40,000 family members**.

Why Join A Club & The AWSC?

Wisconsin's snowmobile trail system is recognized nationally as one of the best in the nation. Our trail system is comprised of more than 25,000 miles, all made possible because of the volunteer efforts of the AWSC, local clubs, and Wisconsin's snowmobilers.

The AWSC is dedicated to the preservation of snowmobiling in Wisconsin and is continually advocating for new trails as well as maintaining and enhancing current trails. In addition, we monitor regulations and proposed legislation that could affect snowmobiling.

Without the watchful eye of the AWSC, we would not have the outstanding trail system that we have.

The AWSC maintains memberships that include:

American Council of Snowmobile Clubs Association (ACSA)
International Snowmobile Congress (ISC)
International Snowmobile Manufacturing Association (ISMA)
Midwest Chapter
Wisconsin Snowmobile Governor Recreation Council
