AWSC Annual Meeting

March 23, 2024—The Osthoff Resort, Elkhart Lake, WI

DRAFT UNTIL AWSC ANNUAL MEETING – 29 MARCH 2025 – Oneida Hotel, Green Bay, WI

Meeting called to order by President Lori Heideman

Presentation of Colors by Boy Scout Troop 885 from Sheboygan Falls, singing of the National Anthem by Joe Gatzke. Pledge of Allegiance recited, veterans and military personnel recognized

Approval of the agenda - need to repair agenda under election of AWSC officers should read 2024-2025 - **motion by Brian Swan, second Dean Wandel, motion carries.**

Minutes approved from 2023 Annual Meeting, **motion by Steve Sohn, seconded Mike Fletcher. Motion Carries.**

Guest Speakers:

Introduction of Senator Devin Le Mathieu by Executive Director Mike Holden. The Senator gave a brief overview of the past session. He encourages all present to know and be in contact with their legislators.

Phil Rynish, Deputy Administrator of the Division of Fish, Wildlife and Parks

Phil explained what this department does, and how they work with planning for snowmobile trails across the state - type in Property Planning on website. Working on Blue Mounds State Park and other state parks across the state. Make sure your voice is heard.

Drew Nussbaum, Regional Tourism Specialist, WI Department of Tourism - gave an update about the winter, lack of snow, tourists still came. He discussed the Snowmobile Friendly Community program.

Proposed Bylaws Change - John Brozek & Dave Newman, Co-Chairs Environmental/Bylaws & Credentials Committee

Dave went over the by-law changes - there has been some misinformation circulating.

Article I. Corrects the fiscal year to what we're actually using, wrong month was in last revision

Club membership - yellow outline on sheet is revision. Changes who has access to database - must be a membership chair, must be a dues paying member of that club. Other club officers - President, Secretary, Treasurer must be dues paying member of that club to provide AWSC access to their contact information. These are the only 4 members that are required to be dues paying AWSC members of that club.

Club voting - cleaned up the process, we don't track what clubs are 100% AWSC members, and have no clubs under 10 members. Also clears up voting delegates, adds allowing your county Director or Rep as voting delegate - we have done it for many years, but was never in the bylaws.

Annual Meeting Minutes from March 23, 2024—Continued

Article III - Requires County Directors and Reps to be dues paying members of a club in the county they represent.

Article IV - requires AWSC officers to be dues paying members throughout their term(s).

Concerns expressed about making club officers pay dues in multiple clubs. Further concern expressed about belonging to multiple clubs, felt dues should follow the person rather than the club. We have over 3000 people that pay dues in multiple clubs. Would like clarification that the membership chair may be one of the existing officers, doesn't have to be a separate officer. Bylaws say one member has the login for the club - would like to see more than one individual per club has a special login, so you know who is making changes.

Request to break each bylaw change into a separate vote in the future.

Election of AWSC Executive Officers for 2024 – 2025 - John Brozek & Dave Newman, Co-Chairs Environmental/Bylaws & Credentials Committee

Nominations open for Secretary - Jon Schoepke nominates Sue Smedegard. Nominations called three times. No further nominations. **Motion to close nominations and cast unanimous ballot by Cal Schmidt, second Steve Sohns. Motion carries.**

Nominations open for Treasurer - Steve Moran nominates Steve Clark. Jake Ward nominates Kate Fuchs. Nominations called three times, ballots will be counted. **Motion to close nominations by Mike Powers, Steve Moran seconds. Motion carries.**

Nominations for Vice President — Sue Smedegard nominates Randy Murdock. Ted Wampler nominates Dave Dahlke. Nominations called three times, ballots will be counted. **Motion to close nominations by Cal Schmidt, second Mike Giese. Motion carries.**

Nominations for President - Sam Landes nominates Lori Heideman. Nominations called three times. **Motion to close nominations and cast a unanimous ballot by Brian Swan, second by Joe Kniseley. Motion carries.**

AWSC Executive Officer Reports

Lori Heideman - President - changing executive board officer emails to hopefully eliminate the scams. They will become "president@awsc.org". Will be more secure and can pass along the emails along to our successors by just changing the login information.

Clubs should have received the charity and volunteer reports from ACSA - please complete these surveys, helps when we go to the US and state capitol and our other partners. Provides the information about what we do and donate.

Have been to the capitol a lot recently, get to know your legislators and politicians - local, county, state, national. Sam Landes will give the legislative report.

Annual Meeting Minutes from March 23, 2024 - Continued

Cup tour was a great event, lot of publicity, will be sponsoring safety programs in the future.

ACSA trails riding group, national forest service and others were hosted by Wisconsin, thanks to the local directors for attending, showing the destruction from storms, closed bridge, the dangerous reroute. Was a great experience for forest service to see firsthand what it takes to reroute, clean up storm damage. Toured club groomer building and equipment. Head of forest service from Washington DC thought groomers cost \$80,000. They learned a lot on that tour.

Thanks to all the clubs and counties for inviting her, thanks for putting in trails, nice that southern counties could be open.

KAOS leadership in Lakewood was a great weekend, they worked on many leadership skills. Thanks to the local clubs for their continued support of this event.

Next Gen Riders - group of 21-35 year olds, want to remain involved. They are a committee, there will be directors and reps on the committee as oversight. They aren't asking for money, they are working on their own bylaws and mission statement - they want to help. They have divided Wisconsin into six segments, willing to help clubs with events, brushing, signing, whatever you need, if they are available. There will be an article in the September magazine explaining their plans.

Thanks to Greg Roscizewski for stepping up this year. Thanks to Lauren for the years as treasurer, she has brought us into using Square credit card reader, zoom meetings, made forms available electronically, many improvements to the executive board. Thanks to Dave Newman who will no longer be on the executive board, but will remain an advisor to board members.

Greg Roscizewski – Vice President - thanks to the clubs/counties for the hospitality rooms. Some great legislative things went through this year, some easily, some took more work. Thanks to Senator Callahan for help, and the Governor for signing it, mostly for Sam Landes for all he does as legislative chair. Lastly, KAOS, Next Gen Riders, both great organizations.

Lauren Levey- Treasurer - keep your financial information/updates off social media. If you are meeting in a public place, keep your information confidential, not laying around when you leave, not overheard by others. Pick up and turn in your \$100 raffle tickets. KAOS silent auction happening tonight - cash, check, credit cards accepted.

Thank you to all the club members that have supported her during her tenure as the youngest treasurer of the AWSC, brought new ideas and perspective to the board.

Sue Smedegard – Secretary – when posting fundraisers and events on posters or social media, include who, what, when, where and why – don't assume everyone knows what city and state you're in. Don't post activities that violate raffle rules, i.e., bingo if you don't have a bingo license, paddle wheels.

Work with your local chambers and tourism entities, along with law enforcement and DNR.

Annual Meeting Minutes from March 23, 2024—Continued

If you aren't getting information from your director or rep, contact them, ask for the information you need. If you can't get it, contact one of the executive board members. Read the magazine, a lot of information can be found there.

All of the Snowmobile Rec Council members that were reappointed were confirmed by the senate last week.

Mike Holden - Executive Director

Thanks to the Cross Country Cruisers and the Sheboygan County clubs for hosting hospitality rooms. Rooms had to close last night due to circumstances out of their control, he has the prize winner list.

Snowmobile Rec Officers were all confirmed, Holly Tomlanovich is a new member. Submit your requests for trail work early, county coordinators have to turn it in by April 15.

No applicants for the military scholarship this year.

Contact executive board if you aren't getting the information from your directors and reps.

Brianna Crotteau – Miss Snowflake unique winter, great year, appreciates the trail work, changing events, inviting her, PR work, networking, thanks to all the clubs. Encourages young women to run for Miss Snowflake, many don't know what it's about. To the youth, Next Gen riders, KAOS are great groups, join them, get involved. Thanks to the sponsors of the Miss Snowflake program. The people are amazing, along with what they donate. Continue to invite her to your events.

Annual Meeting Minutes from March 23, 2024—Continued

Sam Landes – Legislative Committee Update - working on a couple bills that got passed and signed - signs on public properties. Act 110 (SB136) - multiplier on supplemental, Lori and Sam attended the Governor signing of that bill.

Brought up - didn't pass - SB816/AB863 - allow public entities to condemn property to acquire it for recreational trails.

SB959/AB1038 - expands the definition of authorized emergency vehicle to include ATV/UTV/ Snowmobiles operated by authorities for emergency use.

SB999/AB1093 - landowners with MFL(managed forest lands) lands must permit use of certain vehicles on existing trails and roads.

Blue Mounds State Park - 3 lawsuits, filed against DNR, not us. Two affect the trail in the park.

Stower Seven Lakes - originally filed against Polk County, challenges the final Mater plan that included snowmobiling and equestrian use. That suit is fully briefed, hoping to see a decision before next season.

Paving trails - most recent is Military Ridge, Omaha and Fox River Trail. We have asked the DNR for specific criteria and how they make the determination to pave.

Back to Act 110/SB136 - multiplier bill. Found legislators don't understand the program, will discuss more in-depth with directors. Shows importance of developing a relationship with your legislators.

Redistricting - keep in mind that many senate and assembly districts will change. New District information is listed on the Wisconsin State Legislature Home Page at [HTTPS://legis.wisconsin.gov](https://legis.wisconsin.gov) This information is also on the AWSC Home page, click on AWSC PowerPoints tab, then the AWSC Legislative Send Outs tab

Great job by southern counties getting some trails open and maintained. Learned a lot watching the northern counties.

Membership Committee Report - Jim Marks - primary members 37, 223, commercial members 1,492, Total AWSC memberships 38,715. Two programs in place, will have a drawing for those that increase 10% over the last year, or anyone that increased CAM's by 10%

Club with increased membership - Reedsburg Snowmobilers

Club with increased CAM's - Rothschild Urban Aires

International Snowmobile Congress 2024 Report – Lori Heideman, Sue Smedegard, Co-Chairs- working on sponsors, vendors, workshops, round tables, events. Registration goes up April 1 for ISC, hotel is 65% booked, 58 days left in the block. Speakers are confirmed, Wednesday shuttles to Lambeau. Discounted tours are available, you can sign up online. also have a bus going to ISHOF on Tuesday in Eagle River. Registration forms are available from Dave Newman and they're available online.

Annual Meeting Minutes from March 23, 2024—Continued

Old Business – None

New Business - discussion about Dave Newman's article about how funding works, would like some clarification about how money comes into the program and expenditures. One club learned a hard lesson, bought used groomer, if you do this, negotiate an extended warranty.

Racine County Director comments hospitality rooms getting shut down, choose better place. Will discuss at directors meeting.

Green County club treasurer - issues with SNARS, GTS won't recognize trails from last year, trail moved 60 feet over. SRC members will look into this. Another issue (different area) is half funding for going around swamps. Lost the funding this year, they weren't informed in advance by their county trail coordinator.

Election results – John Brozek & Dave Newman, Co-Chairs Environmental/Bylaws & Credentials Committee

Proposed Bylaw change passed.

2024 – 2025 Treasurer - Steve Clark

2024 – 2025 Vice President - Randy Murdock

Motion to destroy ballots by Brian Swan, second by Jason Guthrie, motion carries.

Lily Sno-Birds presents a check to the KAOS group - season long fundraiser - supported by all Langlade County Snowmobile Clubs - raised \$8,402, they added to it to make it \$10,000. This was supported by snowmobilers from around the state. They challenge other counties to beat this amount.

Further Convention Briefs/Updates - Lori Heideman

Brian Woelfel - updates on bus trips

MOHEE will take place at McKenzie Center May 15-16 Poynette WI, will be one in Milwaukee also. Contact John Brozek if you are willing/able to help.

Motion to adjourn by Cal Schmidt, Carol Grunewald seconds, motion carries.

Respectfully submitted,

Sue Smedegard, Secretary

AWSC Executive Officer Candidate Profiles

PRESIDENT - Lori Heideman, Incumbent

I am the current president of the AWSC. I have decided to run for a third term. I feel that there is more for me to accomplish within the AWSC. I have some ideas and have been working on changes that I feel will benefit our programs. I feel that in my first two terms, I was mainly focused on the ISC in Green Bay in June. This was a very successful event; however, I feel it's time to get down to business and make some much-needed changes within our organization. I have some ideas for making some of our programs much better and more efficient.

A bit of background on myself. I was the secretary of my local club, the Kellner Knights for 4 years as well as the Vice president for 4 years. In the early 90's I was on the committee that brought the snow show to Stevens Point. On that committee, I assisted with the vendors and the hospitality room. In 2000, I became the rep for Wood County and in 2002, I transitioned to the Wood County Director position.

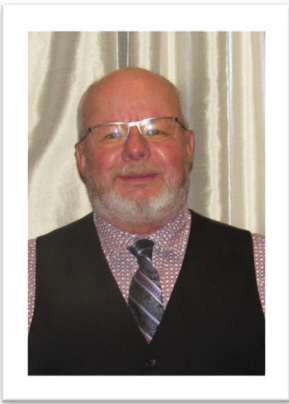

I was the Wood County Director until 2014. In 2014 I became the Vice President for the AWSC. During that time, I attended VIP rides, ACSA DC Fly-Ins, and ISC, as well as being involved with the KAOS program. I also assisted our association coordinator with the snowmobile-friendly communities program.

In 2023, I became the President of the Association. Before becoming President, I made it a mission of mine to get out to talk to many clubs and counties. I feel that club members know who the association is but have no idea what we do or how we can help our membership. Through that outreach, I have learned many things, not only about myself and the association but about our clubs and our membership.

I will continue to talk to our membership. I believe that listening, taking into consideration ideas and change are an important part of this organization. Will we always agree? Perhaps not, but we can learn from each other and make snowmobiling a much better sport for the next generation.

I want to say Thank you for the past support that I have received and hope that you will continue to support me this next year. If you have questions or ideas, let me know.

Executive Board Candidate Profiles - Continued

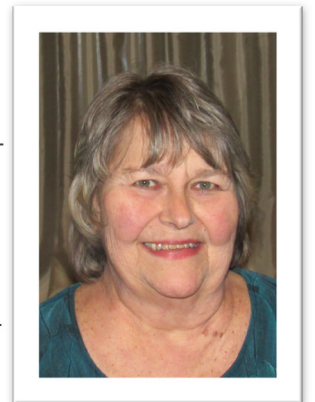

VICE PRESIDENT—Randy Murdock, Incumbent

It's been a privilege to serve as your AWSC Vice President over the past year. During this time, we've tackled many important issues and initiatives, and there is still much to accomplish. I am eager to see the projects I helped initiate reach their full potential. I would be honored to have your vote for another term as AWSC Vice President. Thank you for your continued support.

SECRETARY—Sue Smedegard, Incumbent

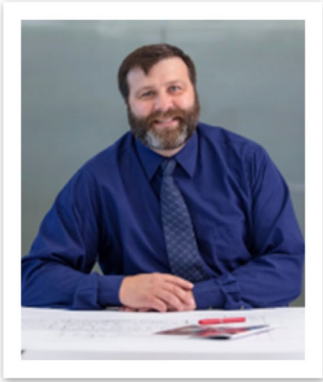

I have served as the AWSC Secretary since March 2011. I served as co-chair for the International Snowmobile Congress 2024, hosted by Wisconsin. I am the Secretary and Treasurer of the Iron Dog Brigade. I serve on the Governor's Snowmobile Recreation Council, and the Department of Tourism Office of Outdoor Recreation Committee, and serve as liaison between the AWSC and the Wisconsin Department of Tourism, as well as the Wisconsin ATV Association. I was honored to receive the AWSC President's Cup in 2018. I am a long-time officer of my club and county association. I serve as the Burnett County representative and Secretary to NoRTAC (Northern Regional Trail Advisory Committee) and am Acting Chair of the Gandy Dancer Trail Commission. I organize Miss Snowflake's participation in the World Championship Water Cross Races each year, and man the AWSC trailer at Hay Days each September. I am the administrator of the AWSC Facebook page, which is kept up to date regularly.

It has been a priority for me to get the minutes and other information out to directors, representatives, and members quickly for use in their counties and clubs. I look forward to continuing to work with our very dedicated executive board as we work through the coming year.

Executive Board Candidate Profiles - Continued

TREASURER—Steve Clark, Incumbent

As we all look to the future of organized snowmobiling in Wisconsin, I am submitting my name for consideration as AWSC Treasurer. I have been an active member of the Oregon Sno-Blazers since 2005, serving as Club Treasurer and Membership Chair from 2012-2021. I have served as Dane County Council of Snowmobile Clubs Treasurer from 2014-2021. Since 2022, I have been the AWSC Dane County Representative, also serving on the Safety and Education Committee. Although not my hometown club, I am also a member of the Mercer Sno-Goers.

You may recognize me from the many AWSC Conventions and Workshops I have attended over the years. I recall attending my first workshop in 2014 and becoming even more passionate about the future of the sport of snowmobiling. I was hooked and have attended every workshop and convention since, striving to become more involved in the snowmobiling community. Additionally, attending International Snowmobile Conventions over the last couple of years has expanded my understanding and furthered my commitment from an international perspective.

I am running as AWSC Treasurer to become more involved at the AWSC level. My longtime experience as treasurer at the club and county levels will be beneficial to me if elected as your AWSC Treasurer. I look forward to the collaboration needed to create reasonable comprehensive budgets for the various committees with the AWSC, as well as all duties required to represent you and your clubs as an AWSC board member.

As a Wisconsin DNR certified snowmobile instructor, I enjoy working alongside my family hosting annual snowmobile safety courses in Dane County and am proud that my wife (Lori) and son (Tanner) are also certified instructors. In addition to my snowmobiling related activities, I am a project designer for Affiliated Engineers in Madison, so attention to detail is second nature to me. Living in Dane County, I am near the AWSC office and could be onsite quickly if needed.

I would be honored to be your next AWSC Treasurer and would appreciate your support.

Snowmobile Friendly Community Awards

Wisconsin's Snowmobile Friendly Community Program

(Awards will be presented during the AWSC Banquet Saturday Evening)

Early in 2017, the AWSC Executive Board created an ad hoc Committee to explore the feasibility of creating a Statewide Recognition Program to recognize and reward the volunteer efforts of its 600+ Clubs and the Communities they reside in. Although small, a "Snowmobile Friendly Community Committee" was organized and began to research and review a wide variety of recognition programs in order to create a statewide "Snowmobile Friendly" program to meet the goals laid out by the Executive Board.

By 2018, the SFC Committee finalized their program, and the AWSC formally introduced a new "Snowmobile Friendly Community Program" to the Directors, Reps, and Clubs at Fall Workshop.

There are three main components of the AWSC's Snowmobile Friendly Community Program:

1. Create a Recognition Award: to recognize/thank the dozens of volunteers in the Club and Community who work tirelessly to support, preserve, and protect snowmobiling...(in short, no matter how large or small the community, award them with a sign/symbol celebrating the collective efforts of their local Trails).
2. Create a Tool: to advocate for the preservation and protection of snowmobiling. The Community, Club, or County can use the SFC Award to:
 - Recognize and increase visibility of their Volunteers, (celebrate and motivate)
 - Improve relationships within their community by/thru:
 - Engaging with key stakeholders (educate)
 - Partnerships, activities, and events (participate)
3. Create a Checklist for Success: The SFC Application is also a Standardized Guide for Clubs, Communities, and County organizations. When used as a Checklist, the SFC Program can help Clubs measure and guide their success in four key areas:
 - Encouragement / Engineering / Education / Enforcement

Congratulations to the 2025 AWSC Snowmobile Friendly Communities and their Clubs:

Snowmobile Friendly Community Awards

Baldwin-Woodville, WI - Snowmobile Friendly Community

Originally, Woodville and Baldwin had their own clubs, but in 1991 they merged into one: The Baldwin-Woodville SnoHawks Snowmobile Club. Located in Western Wisconsin in St. Croix County, the SnoHawk's have 43 members and 48 miles of trail connecting the three Villages of Baldwin, Woodville and Wilson. Winding through open farmland and woods of Southeastern St. Croix County, our trails connect to Dunn County on the East and Pierce County to the South. One of our fun trails, "The Wildwood Trail" lies on an old 7 mile stretch of an abandoned Railroad grade originally owned by the St. Paul, Minneapolis Omaha Railway company and purchased in 1970 by St. Croix County for recreational purposes. Except for the Wildwood, all Baldwin-Woodville Sno Hawk trails are on private land.

Annually, our Club supports numerous community events: the Uff-Da Run, held during the annual Syttende Mai celebration in Woodville; WinterFest in March at the Woodville Garage Bar; the Baldwin Windmill Days in June, along with brat stands at Nilssen's Foods in Baldwin. Our Club works year around in our communities to promote our club and snowmobiling. Since 2014 our club has hosted a snowmobile safety class to promote safety and to get new snowmobilers involved to learn how trails are made and maintained.

We always appreciate everyone who comes to our corner of St Croix County to enjoy our trail system and for supporting the local businesses who support our Club. The Sno Hawk's existence and success is due to our wonderful landowners who allow us to use their land and our club volunteers who make the trails happen each and every year. Our trails wouldn't exist without either of these two.

Thank you to ALL our landowners, businesses, and our communities for their support; and, to the AWSC for this honor. Come ride St. Croix County!!

Iron River, WI - Snowmobile Friendly Community

The Northern Adventures Snowmobile Club is made up of passionate volunteers committed to the sport of snowmobiling. Located in Iron River, Wisconsin, at the heart of northwestern Wisconsin's Vacationland, our club thrives in a small, welcoming community surrounded by serene and picturesque landscapes. Bayfield County boasts over 600 miles of groomed snowmobile trails and over 1,000 miles of forest roads. We partner with the Bayfield County Snowmobile Alliance, which is responsible for maintaining and enhancing the snowmobile trails in Bayfield County. Our club actively participates in year-round trail maintenance and takes on grooming duties throughout the snowmobiling season. Members generously volunteer their time to prepare the trails, clear brush, install signage, and perform general maintenance to ensure they are safe and accessible for public use. Our efforts are bolstered by the generous support of our business sponsors, who help promote club events that facilitate trail maintenance and expansion. Our Club mission is to establish the Iron River area as the premier snowmobiling destination in Northern Wisconsin, offering a well-maintained trail system that connects a variety of outdoor activities, a friendly community atmosphere, and supportive local businesses.

When Mother Nature blankets the area with thick snow, our club ensures the trails are marked and groomed for an exceptional snowmobiling experience. We extend our heartfelt gratitude to our landowners, sponsors, and the community for making this possible. Our club takes great pride in maintaining the Bayfield County trails. Join us for an unforgettable ride!

Snowmobile Friendly Community Award—Continued

Lac du Flambeau, WI – Snowmobile Friendly Community

Northern Hornshoe Trails is located in the Town of Lac du Flambeau and within the borders of the Lac du Flambeau Indian Reservation. In 1978, a group of residents came together to discuss the idea of forming a snowmobile club for Lac du Flambeau. At their first meeting, the question of a name came up. One of the resort owners shared that a “hornshoe” rabbit with a five-point rack was pilfering his garden and our club name was born!

Our club is active in all community activities. Thanks to our hardworking volunteers, we are recognized as an important organization in our community and Vilas County. We are known for our goodwill, friendliness, and especially for making our trail system one of the best in the area. Today, the Northern Hornshoe Trails snowmobile club continues to thrive, with 175 members dedicated to preserving and improving our trails.

We'd like to thank the Lac du Flambeau Band of Lake Superior Chippewa and the Town of Lac du Flambeau for their support of our club and trail system.

Mountain, WI – Snowmobile Friendly Town

Chute Pond Snowmobile Club maintains 120 miles of beautiful snowmobile trails in Mountain and neighboring communities, Oconto County. We strive to have the best trails Mother Nature will allow during the snow season. Through collaborative efforts between the Town of Mountain, the community, and the Chute Pond Snowmobile Club, our working relationship maintains the utmost respect for all. Joint efforts on snowmobile trails, snowmobile safety classes, community fundraising, and education have proven successful. Challenges we have faced were met with the community in mind for the best outcomes. Working together we can see snowmobile tourism will continue to grow in the Town of Mountain for years to come.

Wascott, WI – Snowmobile Friendly Town

The Town of Wascott is an outdoor recreational hotspot in southern Douglas County (northwest Wisconsin), which is home to many beautiful lakes and the largest county forest in Wisconsin. The 4 Seasons Recreational Club was founded here in 1990 and built a snowmobile trail connecting the Wascott business district to nearby Corridor 41. We currently maintain 35 miles of snowmobile and ATV trails with a dedicated team of 100% volunteers. Our beautiful trails wind through the area's forests, lakes, and connects to many towns and counties throughout the region. Our club is supported by the Town of Wascott, our local businesses, and the Wascott Tourism & Development Association, as our well-maintained trails are a major draw for tourists to our area. Many of our town leaders and business owners are active members of our club. We have several certified snowmobile safety instructors who put on a local class yearly. We also proudly garner community support to donate a helmet to each student.

We are proud to receive this award from the AWSC and hope to see you on the trails in Wascott!

Waunakee, WI - Snowmobile Friendly Community

The Village of Waunakee, nestled just 13 miles north of Madison, is proud to receive the Snowmobile Friendly Community Award from the Association of Wisconsin Snowmobile Clubs (AWSC). Known as the “Only Waunakee in the World,” this vibrant community has long been the cornerstone of snowmobiling in Dane County. With the 1992 merger of two Clubs: the WISM Riders and the Over the Hill Riders became the Waunakee Winter Wanderers. Since then the village has collectively strengthened its strong snowmobiling legacy.

Boasting 42 miles of trails maintained by over 74 dedicated volunteer members, the Winter Wanderers provide a diverse trail system through rolling hills, woodlands, and farm fields, with most of the trail system running on private property. Waunakee’s snowmobiling spirit is deeply intertwined with its local businesses, which eagerly sponsor and support the Club. The community also extends its support to causes such as the local food pantry, Easter Seals of Wisconsin, and numerous volunteer efforts. Additionally, Waunakee is proud to be home to Carl F. Statz and Sons, the 2023 AWSC Dealer of the Year. A heartfelt thank you to our landowners, sponsors, and all members of the Waunakee Winter Wanderers for helping to make Waunakee an official AWSC Snowmobile Friendly Community!

Portage County – Snowmobile Friendly County

The Alliance of Portage County Snowmobile Clubs is an organization that promotes safety, education, and safe snowmobiling. Our Alliance unites 11 clubs from Portage and Wood Counties; and, some of the adjoining counties offering 334 miles of beautiful, groomed trails. Our trail system includes the Tomorrow River State Trail, a 29-mile rail trail traveling through scenic glacial terrain and farm country from Plover in Portage County to just outside the village of Manawa in Waupaca County, passing through the communities of Amherst Junction, Scandinavia, and Ogdensburg. The western end of the trail connects to the Green Circle State Trail at Hoover Road in Plover.

Our volunteers generate great community support for the Clubs from all the municipalities in the county. Portage County’s trail system offers a wide variety of landscapes to enjoy; and, an infrastructure that allows snowmobilers to access and support local businesses.

The Portage County Parks Department has been instrumental in making sure the clubs maintain excellent trails. They are helping us start inspecting our bridges and making sure that we have enough supplies for our trails.

Be sure to visit our trails in Portage County to enjoy wooded areas, production agriculture farm fields and much more!

Snowmobile Friendly Community Awards—Continued

Vilas County – Snowmobile Friendly County

If you step back 101 years, one can pinpoint the start of the rich and fascinating history of snowmobiling in Vilas County. In 1924, Carl Eliason built and drove the first modern snowmobile through the town of Plum Lake. That single act made Vilas County the proud holder of a claim very few places can match: we've had snowmobile tracks in our county for over 100 years! Fast forward to 1964, when the first of 62 World Championship Snowmobile Derbies took place on Dollar Lake, propelling Eagle River into the spotlight, earning the title of Snowmobile Capital of the World. The Derby didn't just showcase snowmobiling, it brought people together and strengthened our county's identity, carving out a reputation that continues to draw enthusiasts and tourists year after year.

Yet, as proud as we are of our history, it's not only the machines or the titles that make our snowmobiling culture special – it is the people behind it all. In 1969, local snowmobile clubs including the Sno-Eagles and Frosty clubs, along with two clubs from neighboring Oneida County, joined to form the organization we now know as the Association of Wisconsin Snowmobile Clubs (AWSC). Today, 11 clubs form the Vilas County Snowmobile Alliance (Cross Country Cruisers, Boulder Junction Snowmobile Club, Sno-Buddies, Sno-Eagles, Northern Hornshoe, Frosty Club, Sno-Skeeters, Phelps Snowmobile Club, Sno-Bunnies, Barnstormers and Bo-Boen.)

Behind every mile of trail, community event, and winter adventure, our dedicated volunteers ensure snowmobiling remains a central part of our culture. These clubs maintain 496 miles of state-funded trails along with numerous club-funded trails. Nine of the 11 Clubs are recognized as AWSC Snowmobile Friendly Communities, which speaks to their commitment to snowmobiling and the positive impact it has on our area. Many of the clubs provide snowmobile safety classes and organize exciting club rides, radar runs, and trailside roasts – events that celebrate snowmobiling, but also build a strong sense of community.

Snowmobiling is more than just a pastime here; it's the main winter tourism draw, attracting visitors from all over to experience what makes Vilas County truly special. From great lodging options and dining experiences to snowmobile rentals, sales and repairs, Vilas County is ready to accommodate. Our local businesses work hand in hand with the local clubs to provide everything a rider needs for an unforgettable experience. The connection between businesses and clubs ensures both newcomers and experienced riders have access to the best services, equipment, and the most up-to-date information about trails and conditions. When you visit, you'll quickly see our community takes pride in offering an exceptional snowmobiling experience for everyone. Come visit and experience what makes Vilas County a snowmobile-friendly county. There's no better place to enjoy snowmobiling and the season.

See you on the trails!
