DRAFT UNTIL APPROVED AT ANNUAL MEETING 2022

**AWSC Annual Meeting
Saturday March 23, 2019
Green Bay, Wisconsin**

Meeting called to order by President Dave Newman

Pledge of Allegiance recited. Veterans and Military Personnel recognized.

Introduction of head table - AWSC Executive Board and other guests in attendance

Approval of Agenda - motion by Scott Makowski, second Curt Christensen, motion carries

Approval of Minutes from 2018 Annual meeting - motion by Steve Moran, second by Gary Hilgendorf, motion carries.

Dave welcomes all to the 50th anniversary celebration. First state association in the country, first one to achieve 50 years. Thanks to those in the beginning that understood the importance, and dedicated individuals that have made this happen. Wally Thill, Ozaukee County Director, has been a director all 50 years. AWSC Past Presidents asked to stand. Dave announced that Bill Schumann was unable to attend, thanks all for the cards and calls during his health issues.

Lori Pohl was our office manager for the past decade, recently retired, made a huge difference. Thanks to all the past directors and reps over the years. We have a very successful snowmobile program; those early members could never have envisioned what this program looks like now. Thanks to the magazine committee and WSN editor and sales staff for the great magazine for the 50th. Thanks to the Vintage Committee and Jeff Schwaller for finding all the nuggets and memorabilia for this weekend. Check out their display in the hall, and the photo collage running this afternoon. There will be a tailgate lunch from noon - 1:30, free but will accept donations.

After lunch, KAOS will have games in the front hall; participants have a chance to win prizes. Bus trips to vintage display and Ken's announced.

Election of AWSC Executive Board for 2018 - 2019 and AWSC By-Laws Change - John Brozek, By-law Committee Chairman

Secretary nominations - Jon Schoepke nominates Sue Smedegard- nominations called 3 times, motion to close nomination and cast unanimous ballot for Sue Smedegard by Arlyn Baumgarten, second by Holly Tomlanovich. Motion carries.

Nominations for treasurer - Elroy Jaeger nominates Andy Malecki, seconded by Kurt Butler. Nominations called 3 times, motion to close nominations and cast unanimous ballot for Andy Malecki by Donna White, second by Dan Presslein. Motion carries.

Annual Meeting Minutes from March 23, 2019- cont'd

Nominations for Vice President - Rod Burzinski nominates Lori Heideman, seconded by Jay Thompson. Nominations called 3 times, motion to close nominations and cast unanimous ballot for Lori Heideman by Brian Swan, second by Gary Hilgendorf. Motion carries.

Nominations for President - Joanne Smith nominates Dave Newman, second by Gary Hilgendorf. Nominations called 3 times, motion to close nominations and cast unanimous ballot for Dave Newman by Dave Bedroske, second by Pete Schneider. Motion carries.

By-laws change read, to be voted on, as published in the March Wisconsin Snowmobile News. Ballots distributed to voting delegates, will be counted by members of by-laws committee.

Article II Section 6 now reads:

"The membership year in the Association of Wisconsin Snowmobile Clubs, Inc. shall be for one year from the date the member pays his Association of Wisconsin Snowmobile Clubs, Inc., dues."

The proposed by-laws would change to:

"Effective July 1, 2019, the membership year for the A.W.S.C. is July 1 to June 30. Membership in the A.W.S.C. shall begin the day the membership information and dues are processed by the A.W.S.C. office and all memberships will expire on June 30."

Introduction of Guest Speaker - Christine Jourdain, ACSA

Congratulations on 50 years, first in the country that have hit 50 years. You formed an association and stuck together. Leaders in the snowmobile industry for this. First group with a youth group, congratulations to KAOS group and leaders. First group with a Miss Snowflake.

Christine explained what ACSA is - voice on national snowmobile issues, the face of snowmobiling in Washington, DC. They closely monitor what goes on in Washington, the national forest service. We do the DC Fly-in - 20th annual coming up in April.

Promote positive side of snowmobiling, especially through social media

Wisconsin has a lot of miles of trail, 18,000 miles, thanks to clubs working with landowners. Number one complaint is trespassing. We try to address that, creating loss of trails across the country. Most of those people do not belong to clubs or state associations, trying to reach out and find them. Displaying memes at hotels, other businesses, to get the message across to stay on the trail. Ads are put together to include in the programs at Amsoil sno-crosses to remind people to ride correctly and support organized snowmobiling.

ACSA has a weekly e-news, go to snowmobilers.org and join the mailing list. Contains a lot of good information, pertains to snowmobiling across the country.

Cooperative agreement with National Highway Administration - funded by gas taxes, RTP which includes several projects including radio PSA, blogs, google ads Facts & Myths Revision.

Annual Meeting Minutes from March 23, 2019 - cont'd

ACSA has done a targeted ad on Facebook on impaired riding, speed.

Www.Snowmobileinfo.org has a lot of tools and studies for your use. Posters, other information available, all free for your use.

Online safety course, scientific studies, posters, grooming guide, public and private land access guides are available at that website.

Fundraisers for ACSA - Cash calendar, membership, legal fund, PAC. State association gets \$5 per calendar sold.

We are environmentalists. People forget that, keep reminding them.

ACSA reminds decision makers in Washington about us.

Officer Reports

President Dave Newman: Some of the snowmobile trails are better than the roads.

AWSC Director voted in January to implement a \$2 dues increase, will take effect July 1, 2019. Was discussed for the past year. We need to have a financial reserve in case any legal challenge arises. There are still people that think the AWSC keeps the \$10 for the trail pass - that goes directly to the DNR. It takes over a half a million dollars to run this organization. The AWSC has never told any club what they should charge for dues. Directors will vote on the AWSC budget tomorrow.

In January, Wisconsin State Journal had an article about skiers being concerned about safety with snowmobilers on the trail. We felt it necessary to hire a PR firm representative to help us get out side of the story out. She is helping with the BlueMounds issue, also. We have used her in the past. She set us up with the reporter that wrote that article, which contained many untruths. We have not seen any negative articles since; she has been very good setting us up with media contacts.

Vice President Lori Heideman: Hope everyone is reminiscing about the last 50 years, seen the vintage display.

Snowmobile Friendly Communities awards will be handed out later this morning. Thanks to Don Hamilton, association coordinator, and the committee; thanks to the counties/municipalities that applied. This is the first year of the program, hope there will be more applications next year.

Of the Year Awards - deadline is coming up, applications are online. Anyone can make a nomination.

606 clubs in Wisconsin, should be 606 nominations for Club of the Year. So many volunteers, club members, groomer operators that volunteered for hours. Don't forget about our youth. There are so many great youth members.

KAOS has elected their own executive board, we look forward to working with them.

Annual Meeting Minutes from March 23, 2019- cont'd

Thanks to all that help with the leadership weekend.

This afternoon, be sure you thank these youth for helping with the games, and all they do.

It is your responsibility to take back to your clubs what you learn here this weekend. Communication to your members, get excited, educate them about what we're doing here. Talk about the last 50 years.

Treasurer - Andy Malecki: Andy announces that there are 3 raffle tickets left. Andy thanks all for supporting him being re-elected as treasurer. Thanks Lori Pohl for her help and guidance over the years.

Executive Board and Stormy have worked on the budget over the past months.

There are some ACSA calendars left for purchase

Secretary - Sue Smedegard: Thank you for support in re-election. Thanks to Directors and Representatives that attend 4 AWSC meetings per year, attend county and local club meetings to bring information back. Thanks to the landowners and volunteers that maintain trails, attend meetings, step up to be officers, trail bosses, safety instructors. You make snowmobiling in Wisconsin possible for all to enjoy

Let the world know what we have, experiences, what uniqueness do you have? Tourists come to be celebrated, see the best of what we've got, build up the celebration of snowmobiling. Does your social media or website tell visitors they'll be happy to be here? Is it inclusive and celebratory, or does it just say "it's cold?"

Executive Director - Sam Landes: Myron Hedrick, first AWSC President, would be proud to see a group this size, and over 600 clubs on our 50th anniversary.

50 years - segregated trail fund, 100% goes into the fund, 88% goes to fund the trails, 12% goes to the DNR. When it was set up, the DNR got even more than 12%. Other states have it all go into their fund, but get a much smaller portion back. They would love to have what we have. Morris Nelson had "good guy" stickers made up for legislative meetings - if they were pro-snowmobiling, they got a sticker.

We got funding increased over the years, portion of Indian gaming funds, trail pass program, \$10 million back into program over past 4 years. We've answered 2 of our biggest questions - what do we do about our image, what do we do about accidents/fatalities. We still have too many fatalities, still have work to do there.

What about the non-club member? We got more out of the non-members now than we did 5 years ago.

At one time we were broke. Snowmobile registrations were down, then we got snow in southern Wisconsin. Snowmobiling is alive and well today. We have to defend ourselves against the anti's - need to defend our trails on public and private properties.

Blue Mound State Park - 17 years had a club-supported trail through the trail. We're on the third time of opening the master plan to get the trail system on park property and off the side of the road. Paula Gilbeck had 3 press releases out for the March 12 meeting, over 250 snowmobilers signed in. We got positive press.

Annual Meeting Minutes from March 23, 2019- cont'd

Snowmobiling and the trail are back into the amendment - we anticipate a plan coming out this summer. The next comment period will ensure that it passes, you will get information on that.

Stower Seven Lakes - was a multiple use trail that we were supposed to be part of. Friends group found a loophole, technically the department didn't have the right to call all the uses, got language changed in 2013, maintenance of that trail are turned over to the county, county and DNR are working on MOU at this time. Polk County snowmobilers have done a good job sticking together. 250 gathered for a photo at the head of the trail, great photo, you can see it on Facebook.

Langlade County and Oconto Counties put over 250 people in a township room to accept or deny grant for bridge- they walked out of the meeting with unanimous vote to accept grant.

Moving forward, the message to members is participate, respond.

Because of trail pass, extra funding allows the rec council to begin funding new miles of trail. 40 foot rule needs to be looked at, detrimental to new miles. No states around us have that rule. AWSC went on record in support AB7 - changes absolute sobriety to age 21, in line with everyone else.

In the Governor's budget funding for snowmobile law enforcement comes from GPR dollars instead of Indian gaming revenue and we are not sure we're comfortable with that.

Thanks all here without you, there'd be no trail system. Thanks the directors, reps, past presidents, without you, there'd be no association. We ride.

Dave - deadline is March 26 to make comments on Blue Mounds - notice and links are in the booklet, and paper form is available to fill out and mail on Monday.

Miss Snowflake - Kendra Randrup: First time in Green Bay, thankful to be supporting the AWSC, thanks to her sponsors.

Attended the KAOS ride, and several other rides and events, MS Snow Tour, World Championship races, Vintage Ride for Charity, radar runs.

Raffle drawing at 10:30

Commemorative Henry 22 LR – winner Mike Ballweg

Cash raffle drawings: 1st prize Dan Henningfeld; 2nd prize Frank Dusek; 3rd prize Rick Daniels; 4th prize Glen Durban; 5th prize Jay Thompson; 6th prize Lake Country Riders; 7th prize Sue Smedegard

Cathy Burrow - Snowmobile /ATV Grant Manager: Sue Smedegard has copies of the power point, will be going out to the directors and reps after the weekend.

Annual Meeting Minutes from March 23, 2019- cont'd

State of the grant - income has nearly doubled since the trail pass - will have a lot of income this year because of the snow. Most goes to trail maintenance, right back to the clubs, supplemental maintenance, development grants, state trails, law enforcement and safety, administration.

Trail grants - most goes to maintenance, supplemental, then smaller categories are bridge rehab, trail rehab & relocation, new category is new bridges, and storm damage. Next year will add new miles to the categories.

Current registration numbers down slightly from last year. Trail pass numbers are in your booklet. Total trail passes this year 157,084.

Governors council - council recommended increasing \$250 to \$300, Joint Finance report is available on the snowmobile council webpage. Ad hoc committees formed - one is audit, counties that go into supplemental are audited. Will be a committee looking at bridges.

FEMA concerns

GPS in groomers, council does not want to move too fast, looking at whether this is an allowable expense (the equipment)

Trail signing handbook should be done sooner rather than later.

State contracts - Sam will discuss at directors meeting - Sue has handouts for this for the directors meeting tomorrow, clubs that contract directly with the DNR, all done in SNARS now, but club still needs to invoice that property for the money. Bureau of Finance will not pay without invoice. Handout lists every DNR state trail where there is no MOU with the county, says what has to be on the invoice.

Snowmobile Council webpage - has everything the council does, look at agendas, meetings.

New Trail ranking - Sue has sheets for directors and reps for tomorrow's meeting. Will also be sent out to directors and reps via email.

Fuzzy Moran brought up off-trail riding, losing trails - can something be included with the trail passes saying off-trail riding is trespassing, illegal.

Ranking sheet includes permanent easement points, another is ten-year and five-year easement. Property changes hands frequently in some parts of the state.

Another association questions that every club has to have insurance on the trails, why can't that be claimed as a maintenance expense? It's an eligible expense for the county, but not the clubs. Insurance covers events, etc., also - asks if at least a percentage could be claimed.

Dave mentions that the council is a 15 member citizen board; many are in this room, stood for recognition.

Annual Meeting Minutes from March 23, 2019- cont'd

April Dombrowski - Natural Resources Program Manager: Section Chief, 35-40 full time and limited time employees, credentialed staff, law enforcement and non-credentialed staff.

Congratulations on 50 years of being an organization, a lot of history that goes with this, you should be proud of the history and being part of the tradition. Continue to tell your story, and how you want the next chapter written.

Program updates - rebuilding section, transition with recreation wardens - 10 around the state focused on enforcement, accident investigation and training. Focus on importance of volunteer instructors. Outdoor skills trainers are fully dedicated to volunteer instructors. Now rebuilding administrative part of section. Have some vacancies, announcement is currently out.

Overall DNR alignment, looking at where they move forward, efforts provided in parks system in summer. Took them away from trails and lakes, re-evaluating to see what direction that's going. Bureau of Law Enforcement going through strategic planning at this time, also. One of the goals is recreation - enhancing safety, experiences.

Annual report for snowmobile and atv program - changing direction of annual report, transition to calendar year rather than season relating to statistics. What story do we want to tell moving forward? Work in progress.

Trail signing handbook - brought in snowmobilers, ATV'ers, off road motorcycles, highway department. Working on getting it finished off and produced. A number of revisions have been made, now sent to legal staff for review. Then goes to graphic artist. Hope to have it on the web for viewing on May 1. Printing hard copies will be evaluated, cost, budget is issue, will there be any law changes that would impact the booklet? It's a handbook, set of guidelines, not the "bible." Can't address every scenario in the state.

Law enforcement efforts - rebuilding that area, hopes to get those positions filled. 199 wardens on payroll, some retirements to work through currently. Snowmobile program has the equivalency of about 9 positions. Fiscally responsible with this, challenge this year, snow across the state.

Snowmobile statistics from the season, some trails are still open, calendar year 2018 ended with 19 fatalities, this calendar year we have 15, seasonal standpoints has us at 19 for this season. We work on this through safety courses, marketing safety. When you look at the 10 year trend, fatal trend continues to fall compared to number of registered sleds.

Volunteer instructors for safety programs - volunteer instructors awards for years of service looked at, snowmobile program has a long list of years of service, from 2 years to 45 years of service, no other program has that many years - there is no award for 45, will be looking into that. Those that have 30 years and beyond were recognized.

Drew Nussbaum, Regional Tourism Specialist: Outstanding to see a year like this come to reality, snow around the state. Kept marketing as aggressive as they could.

Annual Meeting Minutes from March 23, 2019- cont'd

Gave away a snowmobile last year to create a database from riders from Wisconsin and surrounding states. All 72 counties were open at some point this year - he was able to talk about that in surrounding states.

Secretary Sarah Meany attended the AWSC Celebrate Wisconsin Snowmobiling event. She is well aware of how important snowmobiling is to tourism in Wisconsin. It was her first time on a sled, and she got to drive a groomer.

Keep pushing our message out to our legislators, lawmakers.

Marketing has been increased this year; snowmobile pieces have had thousands of hits on social media.

Safety messages that were requested from DNR is an issue for all of us. Tourism, clubs, everyone needs to be involved. He has always encouraged clubs to post videos. We need to do a better job promoting and educating. Social media rules us. 80% of travelers to Wisconsin engage on social media. Be careful what you post, advocate a message of responsibility and safety. We need to focus on the centennials, 23 and younger. We haven't addressed their technological advances. Michigan does a really good job with videos. Hard to explain to some town/city/county boards why we are important.

Promoting outdoor recreation is vital to the visit and work aspect in Wisconsin. We don't brag enough – 50 years of this association. 40,000 club members make this the coolest sport there is, no tax dollars, user funded. Continue to advocate for how important this is.

Proclamation of 50 years of AWSC received from Governor Evers, presented to AWSC President Dave Newman by Drew Nussbaum.

Outgoing/Retiring Director & Rep Recognition

Deb Levey, Columbia County Rep, 2013-2018; Pat Neff, Grant County Rep, 2015-2018; Lloyd Runde, Grant County Director, 2010-2018; Doug Waehler, Oneida County Rep, 2011-2018; Jim Walcisak, Price County Rep, 2010-2018; Tim Werner, Price County Director, 1998-2018

Snowmobile Friendly Community Awards

Algoma, Bayfield, Eagle River, Hayward, Iron County, St. Germain, Sawyer County, Three Lakes, Tomahawk were recognized, received signs for their community.

Membership Committee Chairmen - Jim Chambers, Jim Marks:
2018-2019 - Primary 38,269 – 2017 showed 39,363, loss of 1,094.
2018-2019 – Commercial 1,205 - 2017-2018 1,266, loss of 61.
2019-2019 - Totals 39,474 - 2017-18 - 40,629, loss of 1,155.

Last month of the season has increase of 462 over previous month. People will remember the snow at the beginning of next season, should increase our membership numbers.

Election results - by-law change - 269 in favor, 4 against.

Annual Meeting Minutes from March 23, 2019- cont'd

No new business or old business

A lot of clubs are 50 years old, there are certificates for you at the vintage display.

We have 700 people registered for the weekend. Thanks to Stormy Hovey, new office/business manager, doing a great job, also hired a coop student from the local high school, Julia Winters.

Respectfully submitted,
Sue Smedegard, Secretary

AWSC Executive Officer Candidate Profiles

PRESIDENT— Dave Newman, Incumbent

I am announcing that I will again be a candidate for president of the AWSC. I have proudly served as president for the past seven years which was preceded with four years as vice president and the Clark County Director prior to that. On top of my duties as president, I am still very active in my club and on the county level.

I have always encouraged our vice president, Lori Heideman, to take the next step and run for president whenever she felt ready. Because of her commitment to her job, Lori has not felt she has had the time to dedicate to a president's position until retirement, and it looks like that day is in sight. So, it is my intention to run one more time this year and happily endorse her for president in 2023.

Until then, I will continue to represent the AWSC in a positive way on both the state and national level. I feel I have proven myself to be the professional and ethical leader the AWSC needed. Thank you for your past support and I hope I can count on your vote once again this year.

VICE PRESIDENT - Lori Heideman, Incumbent

I am the current Vice President of the AWSC. I have decided to run for another term of Vice President. The past eight years have taught me a lot. When I started out in this position I talked about how overwhelming it was. There was so much to learn. I feel that I have come a long way since that first year. The executive boards I have worked with have not only taught me many things, they have introduced me to the AWSC's key stakeholders.

Along with my vice president duties, I also sit on several committees. I am still a very active member of the youth committee. This has been a committee that I have been on since the inception of our KAOS program. I have traveled to many International snowmobile Congresses to support our youth when they gave presentations. I continue to be a great supporter of KAOS.

I also co-chair the *Snowmobile Friendly Communities* committee. This program was established four years ago to bring recognition to our volunteers and celebrate communities. It is becoming a very successful program.

I have represented the Association at the DC fly in as well as the International Snowmobile Congress the past eight years. I feel that I am making connections at the national level as well as with many of our state directors. The more familiar I become with the issues that face the AWSC, the better I can represent the snowmobilers. I appreciate all the support I have received these past eight years and ask that you support me once again as the Vice President of the Association. Thank you for your support.

Executive Board Candidate Profiles - Continued

TREASURER – Lauren Levey, Incumbent

Hello Wisconsin snowmobile club members! I cannot believe it's almost been a full year since being elected Treasurer of the AWSC. I have learned so much over the last year and still have a lot to learn regarding Treasurer duties and how the AWSC operates. I've received a ton of very positive feedback from many of you regarding the younger generation stepping up to be involved on the Executive Board and I appreciate your support over the last year and hopefully moving forward into the next election season.

I am a proud member of the Cambria Moonlighters snowmobile club in Columbia County, a member of the KAOS committee, a newly re-certified snowmobile & ATV safety instructor, and a sponsored trail rider for DSG Outerwear. Outside of snowmobiling, I enjoy hunting, fishing, and taking out the UTV with my husband, Trevor, and introducing all of our hobbies to our 5-month old, TJ.

One of the most damaging phrases to any organization is "that's the way we've always done it" and I would encourage everyone to remove that from their vocabulary. People (and organizations) can't grow without stepping out of their comfort zone. I'm very proud to represent the younger generations on the executive board and I hope you re-elect me as Treasurer of the AWSC to be the person to help our organization step outside of our comfort zone!

SECRETARY—Sue Smedegard, Incumbent

I have served as the AWSC Secretary since March, 2011. I currently serve on the Governor's Snowmobile Recreation Council, Office of Outdoor Recreation Committee, serve as the liaison between the executive board and the Wisconsin Department of Tourism, as well as the Wisconsin ATV Association. I was proud to receive the AWSC President's Cup in 2018. I am an officer of my club and county association. I serve as the Burnett County representative to NoRTAC as secretary (Northern Regional Trail Advisory Committee), and am Acting Chair of the Gandy Dancer Trail Commission.

It has been a priority for me to get the minutes and other information out to directors, representatives and members as quickly as possible, to communicate with Directors, Reps, and members about what's going on within and involving the Association of Wisconsin Snowmobile Clubs. I look forward to continuing to work with our very dedicated executive board as we work through the coming year.

I hope I can count on your support and vote for Secretary of the Association of Wisconsin Snowmobile Clubs for the 2022 – 2023 season. I look forward to working with all of you!

Snowmobile Friendly Community Awards

Snowmobile Friendly Community Awards will be presented at the Annual Meeting Saturday Morning

Early in 2017, the AWSC Executive Board created an ad hoc Committee to explore the feasibility of creating a Statewide Recognition Program the AWSC could use to recognize and reward the volunteer efforts of its 600+ Clubs and the Communities they reside in. Although small, the new “Snowmobile Friendly Community Committee” went to work. Initially comprised of three Executive Board Members, one Club Member, and one Staff Member, the Committee researched and reviewed a wide variety of ways to build a recognition program to meet the goals laid out by the Executive Board.

By 2018, the SFC Committee had finalized their Program and the AWSC formally announced and introduced the new “Snowmobile Friendly Community Program” to the Directors, Reps, and Clubs.

There are three main components of the AWSC’s Snowmobile Friendly Community Program:

1. Create a Recognition Award: to recognize/thank the dozens of volunteers in the Club and Community who work tirelessly to support, preserve, and protect snowmobiling. In short, no matter how large or small the community, award them with a sign/symbol celebrating the collective efforts of their local Trails.
2. Create a Tool to advocate for snowmobiling: The Community, Club, or County can use the SFC Award to:
 - Account for and increase visibility of their Volunteers, (celebrate and motivate)
 - Improve relationships with their Community by/thru:
 - ⇒ Engaging with key stakeholders (educate)
 - ⇒ Partnerships, activities, and events (participate)
3. Create a Checklist for Success: The SFC Application is also Standardized Checklist/Guide for Clubs, Communities, and County organizations. The Checklist can use to achieve success in four key areas:

| | |
|---------------|-------------|
| Encouragement | Education |
| Engineering | Enforcement |

Snowmobile Friendly Community Awards

Community of Arbor Vitae

The Cross Country Cruisers are a 100% Volunteer snowmobile club based in Arbor Vitae, WI. The club is responsible for signing, maintaining, and grooming over 90 miles of trails in both Vilas and Oneida Counties including the Bearskin Trail. The club's yearly membership sits around 450-500 members which includes commercial memberships. The town of Arbor Vitae, where the clubhouse is located, has a rich logging history which has produced many excellent trail systems for outdoor recreation, including snowmobiling. Arbor Vitae is a small community where neighbors are friends, and friends are family - which makes it a perfect place for the Cross Country Cruisers to call home.

Community of Conover

Conover is located on US Hwy 45 just south of the Michigan border in the heart of the lakes region. Nestled on the eastern side of Vilas County, Conover is a small town of 1253 friendly residents surrounded by a unique blend of forests, lakes, rivers and natural beauty. With rich history in the logging industry, trail development was a logical choice for such a beautiful landscape. The Conover Sno-Buddies Snowmobile Club was incorporated in 1972 and recently celebrated their 50 year anniversary. The club currently manages a trail system of 70 miles winding through scenic forest lands and rolling hills that connect to 600 miles of trails within Vilas County. With a membership roster just over 300, the Sno-Buddies are managed by a board of 11 officers, 3 program coordinators, a fundraising committee of 10 and a grooming squad of 7. Come and ride with us soon!

Community of Lodi

Lodi, meaning peaceful valley, is located in the heart of scenic south-central Wisconsin, Columbia County and is a community of about 3,100 residents. The Yellow Thunder Snowmobile Club, 200 members strong, has been around since 1968 and is responsible for grooming and maintaining over 70 miles of trails. Their club remains very involved in their community, providing snowmobile safety classes, two scholarships, volunteering at various events and even providing their city with their first snow ambulance. Yellow Thunder owns two groomers; a New Holland and a CASE IH. As with most clubs, Yellow Thunder would not have their beautiful trail system without the generosity of their 180 landowners and volunteers.

Snowmobile Friendly Community Awards

County of Chippewa

From countryside, to forests, through quaint downtowns, the Chippewa County snowmobile trail system has miles of adventure and fun awaiting all. Supported by over 20 local clubs over 400 miles of trail system is well taken care of, which is shown through the consistently updated trail markings and seamless communication of trail conditions. Welcoming enthusiasts from around the country, our clubs, lodging partners, restaurants, taverns, and attraction businesses know the importance of maintaining the trail systems and creating a comfortable ride to all.

County of Marinette

"It's not about the miles, it's about the smiles!" In Marinette County you'll find both! The Marinette County Snowmobile Alliance is comprised of nine clubs that maintain over 700 miles of trails and promote the exhilarating Northwoods pastime of snowmobiling. Clubs operate in cooperation with state, county and local governments, along with private landowners who graciously allow snowmobile use on designated areas of their private property.

The Marinette County Snowmobile Alliance organizes and shares information among its clubs and works to promote safe, well maintained trails for public use. An Alliance trail map is printed yearly and features over 170 business sponsors. The Marinette County Snowmobile Alliance and its clubs also work closely with county and state tourism departments to promote its trails across Wisconsin, the Midwest and the nation. For the hard working club volunteers who make their trail system a riding destination, the reward is seeing the smiles of happy riders.
