

# GLACIER CANYON LODGE

(Phase 1)

## WOODED CANYON VIEW (odd number rooms)

First Floor units in Phase 1 (Ent 1-3) can easily walkout to the parking lot or, if waterpark side, walkout from their patio to the nearest pool gate. After Ent 3, fences are in place that block access, thus making access more restrictive or in some cases completely restrictive. Please keep these areas in mind when assigning a room based on a guests request.

**Grill Area**
