Introduction of DNR Secretary Preston Cole.

Secretary Cole discussed the importance of snowmobiling in Wisconsin. He talked about the economic impact of outdoor recreation. He encourages strengthening relationships with your tourism specialists, apply for the direct marketing grants. You're creating a better economy, not just for tourists, but your neighbors and friends. He discussed the importance of our relationship with the landowners. He thanked the volunteers in the room for all they do, including the 926 volunteer safety instructors - he asked for a show of hands of the safety instructors for recognition. He talked about the importance of safety on snowmobiles. He thanked Miss Snowflake AJ Kreager for going around the state and talking to kids about safety. How can we get the word out to the adults - a flyer with registration? With the hunting license? Boating license? [Preston.cole@Wisconsin.gov](mailto:Preston.cole@Wisconsin.gov).

Dave comments that our partnership with the DNR is as good as it's ever been.

Introduction of Jillian Steffes, Snowmobile Trail Aids Grant Manager

Jillian went over the trail pass history, strong sales this past season. Vehicle registration is solid, as well. She explained how the grant program works. A total of \$11 million was awarded for trail maintenance last year. We typically award about \$2 million for supplemental. New miles - 1400 miles have been approved in the past 3 years, north and south.

GTS units in groomers became mandatory this season, seems to have gone pretty well.

Legislation - change of the 40; rule - trail still needs to be a trail, off the surface of the road, groomed 10-12 feet wide and signed. Road routes are still not eligible for funding. If you have a trail that is now eligible for funding, contact your local grant manager.

Dave Newman gave the report from Martin Stone, DNR Administrative Warden

Completed 2nd annual Think Smart before you Start campaign - weekend of January 21, rec wardens out - trails open in top half of the state, got wardens out on frozen bodies of water, great success, providing a presence and education, encouragement to operate safely and within their skill set, ride responsibly. Patrolled 2072 miles of trails. 15 snowmobilers were needing assistance, broken down, lost - 239 warnings issued for safety and registration violations, 71 citations issued. Wardens and officers have been distributing KT coupons for safe and responsible behavior. Safety messaging continues. Alcohol and speed continue to be the top contributing factors. Encourage to carry first aid kits, stay off frozen bodies of water, encouraging to stay on marked trails. Cutting corners, going up a hill is still trespassing.

Safety instructors - 926 certified, active

13,172 students obtained certification

In person classes - 20- 21 4700+ certified, in 2020, 3058, down from 4,208 in 2019.

Crash report

2021 13 fatalities, average victim 40 years of age, majority on public trails, 2 on frozen water, 3 on roadways. Alcohol and speed contributing factors.

Trying to get local wardens out on the trails, encourage people to slow down, stay on trails, ride responsibly. They sit with marked trucks at busy intersections/trailhead parking. Marking snowmobiles with conversation warden identification.

Drew Nussbaum, Regional Tourism Specialist - Everyone in this room is the epitome of collaboration, the reason the sport works in this state. He talked about the importance of respecting the landowners. Snow Report - thanked the 164 snow reporters in the state of Wisconsin, asked for a show of hands. Worked through the new website this year, and on March 8 reverted to the old website. Jeff Anderson and Drew have been the ones working on this and keeping it updated.

# Annual Meeting Minutes from March 26, 2022 - Continued

---

Secretary Sayers rode a little this winter, came away with a great appreciation of the sport of snowmobiling. He asked those involved in the Badger State Games event to stand for recognition.

Drew showed a 2 minute campaign coming out this summer to entice tourists to Wisconsin.

## Officer reports

President Dave Newman - Legislation passed, Act 103, if you have trails that are now eligible for funding, you do need to apply. Trails need to be 10' off the traveled portion of the roadway, groomed and signed. Jillian discussed this legislation earlier. Illegal to operate with exhaust modified to make it louder.

We're considering legislation for this session, increase the amount of law enforcement funding, from \$396,000 to \$800,000 - we will work with the legislators, DNR to get this in the budget. Allow atv/utv/snowmobiles to be used as emergency vehicle.

Legislative trail caucus recently, represented motorized sports along with Randy Harden from WATVA. Lawsuit in Forest County, 2017 fatal accident involving their groomer, appeal was dismissed by the Court of Appeals.

Stower Seven Lake - lawsuit by Friends group against Polk County - Circuit Court denied the request for an injunction last week. Next hearing is in May.

Blue Mounds State Park - lawsuit filed by Friends Group - March 15 judge granted the state's motion to dismiss, the Friends are going to appeal.

# Annual Meeting Minutes from March 26, 2022—Continued

---

Signs on State Trails - we will work with the department as mentioned by Secretary Cole. GTS Trackers - for the most part, they worked well.

International Snowmobile Council Charity survey was sent to all clubs, due by April 15.

AWSC raffle - if you have tickets you won't sell, turn them in so someone else can sell them.

Word of caution for clubs buying the raffle tickets - if your club isn't tax exempt, we'll have to withhold \$2500, and since you don't file a tax return, you won't get it back.

Snowmobile Safety Instructors There haven't been any recertification classes - safety certifications will expire April 1. Contact your areas outdoor skills trainer if you need assistance finding a recertification class or how to do it online.

Rode from Wausau to Eagle River, great coverage in print, tv, and social media for Badger State Games. Dave volunteered at the Clean Snowmobile Challenge in Eagle River recently. HE helped with the 100 mile endurance ride. UW Platteville took first place in the gas division and 3rd place in the diesel division.

American Council of Snowmobile Association held a snowmobile slogan contest, Steve Bethke from Sawyer County won. ACSA has an e-newsletter, you can sign up on their website.

International Snowmobile Council will be held in Dubuque, Iowa in June.

Vice President Lori Heideman - welcomes everyone to Green Bay. Of the Year Awards due on June 15, information is on the website. We do charity work, community service, we need to get our names out there. AWSC forwards the winners to the national for club of the year. Wisconsin has done very well over the years.

Snowmobile Friendly Community awards - will be awarding 5 later this morning. Application is on the website. Scoring done by SWOT analysis, each on their own merit, not compared to the others. There will be a session at the fall workshop about applying for this designation. This is the year the first winners will have to renew their application - there is a different application for this. This has been featured on magazines, social media, newspapers.

KAOS - spent the weekend in February with them, Leadership ride, fantastic weekend with 18 KAOS members. Thanks to Oconto and Langlade Counties. She thanked everyone involved. Other states look to this group for how to form youth groups.

ISC is a great opportunity - Wisconsin has had the most participants the past 7 years. You can learn about snowmobiling at the national level, see what's done in other states, learn about ACSA and ISMA.

Keep an open mind, learn much today, take it back to your clubs.

Treasurer Lauren Levey - thanks for re-electing her, wants people to know her husband's grandma was a past president of the AWSC, Donna White. Now that she has a year under her belt, she'll be making a few changes. Reminds people to keep your club and county financial information off social media. We are working on the budget for 2022-2023, will be approving that tomorrow.

# Annual Meeting Minutes from March 26, 2022—Continued

---

Asked the KAOS members and advisors to stand for recognition. Encouraged other young folks to join.  
AWSC.KAOS@gmail.com

Secretary Sue Smedegard – Thanks to clubs for re-electing her, happy to work with the clubs and membership again. Asked for a show of hands of those attending for the first time. Discussed the Snow Goer ad, information will come out from the International Snowmobile Congress, with a late July. deadline. Clubs should approve now if they don't meet in the summer. On your trail reports to Travel Wisconsin, be honest. If you embellish, riders won't trust the report and may not return to your area. Watch social media, many of those "official sites" have a lot of misinformation. Attended the Wisconsin Tourism Conference last week, happy to see Hayward nominated for being a Snowmobile Friendly Community. When you send your voting delegate forms in, be sure your delegate is planning to attend convention.

Executive Director Mike Holden - this is the time of year that most counties elect new directors/ reps - welcome to all the new directors and reps. If you have any questions or problems, contact your director or rep first. If they don't know the answer, they can contact the executive board. Many clubs turned 50 this year, asked for a show of hands. Congratulations to each of those. Applications for projects are due to the DNR by April 15. Be sure your applications are complete or they'll be returned.

Congratulations to the northern clubs for a great job this year.

Trail signing - a number of clubs have gone to newer and bigger signs - geographic information in bigger letters on the top, and business information below. That's very helpful. Make sure you have signs at your intersections. If you have stop signs that are faded, replace them. That's a huge liability. Thank you for making Wisconsin the best snowmobile destination in the country.

Association Coordinator Don Hamilton - no report

Office Manager Stormy Hovey - no report

AJ Kreager - Miss Snowflake - Since the January directors meeting, she has attended 26 events. Best opportunity of her life. She does have some weekends open, contact her

Marinette County, WI

Someone from the executive board will go to each of these communities to present the awards, Drew Nussbaum offered to help with PR/legislative outreach

Membership Committee Chair Jim Marks - we have 41,046 members currently, shows stability of our organization. A tool for clubs to use is a yellow poster, they are available a registration.

Two contests this year, based on membership - any club with at least a 10% increase is eligible for a cash prize, second is for CAM's - 10% increase. Miss Snowflake AJ Kreager will do the drawing at this time.

Membership winning club is Rough Riders

CAM winning club is Jackpine Savages

Scholarship winners recognized- will be awarded at the banquet this evening

Old Business - none

New Business - Brian Swan points out that there are no bus trips today, there are some workshops instead. If people are interested in bus trips, there's a person from Portage County that would help organize with local businesses, etc., create a committee from across the state to work on it.

No one stepped up to organize that this year. The same county has had convention held here for many years in a row, the volunteers get burned out.

Election Results - AWSC Bylaw Amendment 249 in favor, 4 against, 3 blank ballots

# AWSC Executive Officer Candidate Profiles

## **PRESIDENT - Lori Heideman, Candidate**

I've been involved in snowmobiling since the late 80s. I was secretary of the Kellner Knights for many years and progressed to the vice president/membership chair for four years before becoming the Wood County Rep for two years starting in 2000. I then held the Wood County Director position from 2002-2014 when I became vice president of the AWSC.

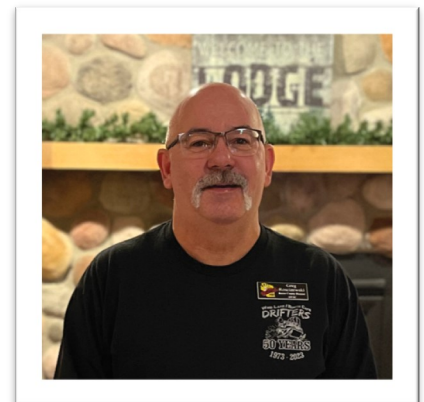

I have been involved in all aspects of snowmobiling. In 2005, I became a snowmobile safety instructor and have taught at least one class a year since. In 2016, I became a dual instructor for ATV/snowmobile safety. I had been a member of the Publicity Committee, until I became vice president. I was an original member of the Youth Committee and have been a huge supporter of the KAOS program. I have attended and spoke at many of the KAOS leadership weekends. I have attended the National Off Highway Recreational vehicle convention in Michigan with KAOS to speak about our program and getting the youth involved. I have attended many of the youth presentations at ISC. I have also been the co-chair of the Snowmobile Friendly Communities Committee since its inception and spoke on behalf of the association at many of these award ceremonies.

I feel the past 23 years have prepared me to become your next association president. I have learned so much from the current, as well as the past executive board, and now is the time to take the next step as I will be retiring from a 31 year career in public safety running a 9-1-1 center.

If elected president, I will continue to attend your meetings and get to know our membership. I would appreciate your support.

## **VICE PRESIDENT - Greg Roscizewski, Candidate**

I'm currently the Racine county AWSC director and have been for nine years. I'm a lifetime snowmobiler since the age of seven and a club member since age 18. Member of the Wind Lake/North Cape Drifters for the last 28 years where I served as VP for four years and President for eleven. I was very active for many years on our three person trail boss committee and worked extensively with our landowners. I'm a current groomer operator and tractor operator for fall dirt work. When the SNARS program was implemented, I coordinated the training for our trail bosses in Racine county. I work extensively with our fundraising committee and help coordinate our "Sunday Gunday" raffle. I am one of our two club representatives to the Racine County Alliance of Snowmobile Clubs and serve on the "Winterfest" and fundraising committees. My wife Joyce and I are also members of the Sayner Barnstormers near our cabin in St Germain. I try and stay up on snowmobile issues in both the south and the north.

During and after college, I was a mechanic, tow truck operator, and manager of two service stations. I served for 26 years as a Deputy for the Racine County Sheriff's Office and retired in 2016. I'm hoping to bring some insight into the trespass issue in our sport and find ways to educate our fellow snowmobilers.

MY NUMBER ONE GOAL IS TO CONTINUE OUR WISCONSIN SNOWMOBILE LEGACY FOR ALL OUR CHILDREN AND GRAND-CHILDREN. (Including my own two kids and four grandchildren.) Life is choices! Let's all choose snowmobiling!

## Executive Board Candidate Profiles - Continued

### **TREASURER – Lauren Levey, Incumbent**

Over the past two years, I've really enjoyed learning the position and how it has operated before me. This year, I want to focus on making improvements and standardizations to the process. I want to be able to make it easier for more people to step up, learn the position, and eventually take over when I'm done. I'm always looking for suggestions and ideas from club members.

I am a proud member and Secretary of the Cambria Moonlighters snowmobile club in Columbia County, a member of the KAOS committee, a snowmobile & ATV safety instructor, and a sponsored trail rider for DSG Outerwear. My full-time job is at Alsum Farms & Produce in Friesland, WI as the Human Resource Coordinator. Outside of snowmobiling and work, I enjoy hunting, fishing, and taking out the UTV with my husband, Trevor, and introducing all of our hobbies to our 1.5 year old, TJ.

I appreciate your votes in the upcoming election and look forward to working with the new Executive Board, AWSC Reps & Directors, KAOS members, and any WI snowmobile clubs members that I cross paths with.

### **SECRETARY—Sue Smedegard, Incumbent**

I have served as the AWSC Secretary since March, 2011. I am a co-chair for the International Snowmobile Congress 2024, hosted by Wisconsin. I serve on the Governor's Snowmobile Recreation Council, Department of Tourism Office of Outdoor Recreation Committee, serve as liaison between the AWSC and the Wisconsin Department of Tourism, as well as the Wisconsin ATV Association. I was honored to receive the AWSC President's Cup in 2018. I am an officer of my club and county association. I serve as the Burnett County representative and Secretary to NoRTAC (Northern Regional Trail Advisory Committee), and am Acting Chair of the Gandy Dancer Trail Commission. I organize Miss Snowflake's participation in the World Championship Water Cross Races each year, and man the AWSC trailer at Hay Days each September. I am the administrator of the AWSC Facebook page, which is kept up to date regularly.

It has been a priority for me to get the minutes and other information out to directors, representatives and members quickly for use in their counties and clubs. I look forward to continuing to work with our very dedicated executive board as we work through the coming year.

## Wisconsin's Snowmobile Friendly Community Program

**Snowmobile Friendly Community Awards will be presented at the AWSC Banquet Saturday Evening**

Early in 2017, the AWSC Executive Board created an ad hoc Committee to explore the feasibility of creating a Statewide Recognition Program to recognize and reward the volunteer efforts of its 600+ Clubs and the Communities they reside in. Although small, a "Snowmobile Friendly Community Committee" was organized and began to research and review a wide variety of recognition programs in order to create a statewide "Snowmobile Friendly" program to meet the goals laid out by the Executive Board.

By 2018, the SFC Committee finalized their program, and the AWSC formally introduced a new "Snowmobile Friendly Community Program" to the Directors, Reps, and Clubs at Fall Workshop.

There are three main components of the AWSC's Snowmobile Friendly Community Program:

1. Create a Recognition Award: to recognize/thank the dozens of volunteers in the Club and Community who work tirelessly to support, preserve, and protect snowmobiling...(in short, no matter how large or small the community, award them with a sign/symbol celebrating the collective efforts of their local Trails)
2. Create a Tool: to advocate for the preservation and protection of snowmobiling: The Community, Club, or County can use the SFC Award to:
  - Account for and increase visibility of their Volunteers, (celebrate and motivate)
  - Improve relationships with their Community by/thru:
    - ◇ Engaging with key stakeholders (educate)
    - ◇ Partnerships, activities, and events (participate)
3. Create a Checklist for Measurable Success: The SFC Application is also Standardized Guide for Clubs, Communities, and County organizations. When used as a Checklist, the SFC Program can help Clubs measure and guide their success in four key areas:
  - Encouragement
  - Engineering
  - Education
  - Enforcement

### **Three Lakes**

The Town of Three Lakes, located in the northwoods of Wisconsin, is a cozy community on the south end of 28 interconnected lakes – the largest chain of inland freshwater lakes in the world and is located on the western edge of the 650,000-acre Chequamegon-Nicolet National Forest. Now removed, it was also a stop for the Chicago & Northwestern Railroad supporting logging and farming industries over 100 years ago. Altogether, our trail system traverses some of the most scenic country Wisconsin has to offer. The tiny community is comprised of two snowmobiling organizations, strongly supported by area businesses who open their doors to sledders. Three Lakes-Brule River Trails, formed in 1984, is responsible for managing 186 miles of trails located in Oneida, Forest, and Vilas Counties. 100% volunteer based, they align with over 100 private landowners for connectivity to club, county, and state trail systems. Northern Lights Snowmobile Club, formed in 1967, is a social club with over 500 memberships processed with the AWSC this season. The club has weekly group rides Tuesday through Thursday and a popular 4-day, 3-night overnight outing to a pre-determined destination. Both clubs work together, to make Three Lakes a popular destination for snowmobilers. We invite you to visit Three Lakes on your next snowmobiling adventure to experience the beauty and hospitality our community has to offer.
